TRANSLATION VERIFICATION STATEMENT

The following is the reference of the German document which was translated into English:

WO 2005/043988 A2

METHOD AND DEVICE FOR PROVIDING INFORMATION ON THE OCCUPANCY OF MILKING STATIONS OF A MILKING SYSTEM

I hereby certify that, to the best of my knowledge, the English version of this document represents an accurate translation of the original German document provided, that the translation was prepared by a person knowledgeable in the English language and in the language of the above document, holding a Ph.D. degree in Chemistry and having extensive experience in translating. I had the translation proofread by a person with similar qualifications.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true.

Notice: Only accuracy of translation is guaranteed. Quest Technology, Inc. makes no representations or warranties as to the accuracy, legality or content of the source text. Liability on the part of Quest Technology, Inc. for any errors or omissions is hereby limited to the value of the services rendered.
